Further Instruction issued – Reg.

\*\*\*\*

The Heads of Departments are aware that the RE 2021-22 allocations are done in the IFHRMS based on the Budget Hierarchy created in the system by the concerned departments. The changes to the budget hierarchy are regularly received based on the administrative reasons like New (DDO) office create / district bifurcation / restructuring within the hierarchy etc., While the newly created DDOs are brought under the Budget Hierarchy regularly, in case of re-deployment and migration from the one BCO to another due to district bifurcation etc., have been pending for necessary changes in the Budget Hierarchy.

2. It has been decided to carry out such changes arising out of migration of DDOs. Further, the HoDs concerned are requested to furnish the pending list of BCO / DDOs, to be newly added and migration of existing DDOs from one BCO to another in the following two prescribed formats to do the necessary changes in the IFHRMS on or before 20.03.2022 through e-mail.

- a. for New DDOs
- b. for Migration of existing DDOs from one BCO to another

3. The above process has to be completed within a short span of time so as to effectively allocate to the Budget Estimate 2022-23 through the system. This shall be treated as most urgent and if required the concerned officials may be deputed to the Finance department to clarify the changes required to be carried out in order to expedite the completion of the process.

Yours faithfully,
